### Parking at the Miners' Welfare

We have received a message from the Miners' Welfare regarding parking. Due to the large amount of parents/carers using their car park, the grates for drainage have been damaged. Anyone using their car park do so at their own risk and the Welfare will not be responsible for any damage to vehicles or any accidents.

### Car Parking Issues

Car parking has raised its head again this week as we have received reports that some parents/carers have been parking on the pavement, forcing pedestrians onto the road to get passed. Please can we request that to ensure the safety of everyone using West Road, that you do not park on any footpath at all. Inconsiderate parking can be reported to the police by calling 101.

### Solihull Parenting Course

Unfortunately, due to the lack of interest in the schools 'Solihull Parenting Course', we are unable to deliver this course at the present time. We will look at gathering interest in the course at the start of the New Year.
